EDUCATION & CERTIFICATIONS

Sai Gon University <i>Bachelor of Science in Information Technology</i>	2022 – 2027 Current GPA: 3.05/4.0
IELTS Certificate Overall Band Score: 7.0	November 2024

SKILLS

Languages: JavaScript/TypeScript, HTML/CSS, L^AT_EX
Tools: Git/GitHub, Docker, VS Code

PROJECTS

Green Store <i>NextJS, Open API Generator, TanStack Query, React Hook Form</i>	2 months
- Developed a basic store management system with full CRUD functionality and integrated QR code scanning. - Utilized Open API Generator for type-safe API communication and TanStack Query for efficient server-state management. - Implemented custom hooks to abstract business logic and optimized form handling using React Hook Form. - GitHub: github.com/MPIO1002/store-management-fe	
Cineme <i>ReactJS, WebSocket</i>	4 months
- Built a comprehensive cinema management system featuring real-time updates and high-performance data handling. - Integrated WebSocket for real-time communication and RabbitMQ for asynchronous message queuing between services. - Leveraged Redis for caching to improve system latency and implemented a generative algorithm for specialized features. - GitHub: github.com/MPIO1002/CINEME Video Demo: Tiktok @thichfrontend	

EXPERIENCE

Mong Huyen Giang Ho Compendium <i>Web Developer Intern</i>	6 months
- Developed a character compendium website expanding from the official game's main page to enhance player accessibility. - Implemented comprehensive CRUD features for character management using ReactJS and NodeJS via RESTful APIs. - Containerized the application using Docker and managed deployment on a VPS for production-ready hosting. - GitHub: github.com/MPIO1002/Characters-Website Live: mhgh.ggo.vn/thuvientuong	

HOBBIES & ACTIVITIES

Hackathon Participant <i>Sài Gòn University</i>	Oct. 2025
- Collaborated in a high-pressure environment to develop a technology-driven solution within a limited timeframe. - Enhanced team-working, problem-solving, and rapid prototyping skills.	
Football (Soccer)	Present
Developed strong communication, teamwork, and physical endurance through competitive play.
